Join IHE-Europe

to advance interoperability for health information systems

IHE-Europe is a joint initiative of healthcare professionals and industry to improve the way computer systems in healthcare share information.

By joining IHE-Europe, your company powerfully, and publically, demonstrates its support and becomes an active participant in this broad-based effort to effectively share patient data and provide optimal care.

FLEXIBLE NEW MEMBERSHIP STRUCTURE:

IHE-Europe's new schedule for annual fees is based on a company's size to encourage a broad participation by health information system companies.

- **For companies less than 250 FTEs:** € 1 250 per year (+ 21% VAT where applicable)
- **For companies over 250 FTEs:** € 5 000 per year (+ 21% VAT where applicable)

Benefits apply
for Connectathon
2010

BENEFITS OF IHE-EUROPE MEMBERSHIP:

1. Directly work with end-users of health IT systems to gain a greater appreciation for requirements and emerging needs.
2. Connect with networks of IT industry executives to form new business contacts.
3. Take advantage of exclusive member financial benefits for the IHE-Europe Connectathon and Interoperability Showcase (See details below).
4. Increase your firm's visibility through innovative marketing opportunities.
5. Shape and influence decision-making by participating on the IHE Steering Committee and at the General Assembly, contributing to the further success of IHE in Europe.

DISCOUNTS for companies participating in the European **CONNECTATHON** * or a European Interoperability Showcase:

SMEs:

€ 750 discount on net fees for the Connectathon
€ 300 discount on net fees for an Interoperability Showcase

Larger enterprises:

€ 2500 discount on net fees for the Connectathon
€ 300 discount on net fees for an Interoperability Showcase

Discounts applicable once each year, independent of number of systems or integration profiles

**The annual IHE-Europe Connectathon is a landmark international event drawing health information system developers from around the world for an intensive five-day marathon of system tests.*

IHE-Europe is a not-for profit organization initiated jointly by the European Society of Radiology (ESR) and the European Coordination Committee of the Radiological, Electromedical and Healthcare IT Industries (COCIR). IHE-Europe has won the participation of hospitals, health authorities and medical societies and is supported by many sponsoring organisations and companies. IHE integration profiles have been adapted by national and regional projects.

Active IHE domains include Cardiology, Pharmacy, IT Infrastructure, Laboratory, Patient Care Coordination, Patient Care Devices, Quality, Research and Public Health, Radiation Oncology, and Radiology.
